

RAPTOR GUITARS LAYAWAY POLICY

Our layaway plan starts with a mere 20% down of the purchase price of your item(s) and must be paid in full within 120 days from the date of deposit. An extension will be granted provided that the need for an extension is communicated with George Contreras and there have been regular monthly payments on the balance.

There are no refunds on layaway items. We will however offer in-store credit of the amount already paid.

I, _____, hereby authorize RAPTOR GUITARS to charge my credit card for the remaining balance of my layaway after the agreed upon layaway time if the full payment has not been tendered.
